Subject: Pre-qualification Result for HXsteel International Engineering W.L.L. as an Approved Subcontractor (Fabrication & Installation) of Steel Constructions Works with its factory located in Qatar for use on ASHGHAL Buildings Projects

Dear Sir,

The Vendors Prequalification Committee (VPC) refers to the application submitted with PWA Reference 2020/0067443/1, and your request to include HXsteel International Engineering W.L.L. as an Ashghal approved subcontractor (fabrication and installation) for Steel Construction Works. Following our general evaluation process, the Committee has decided to approve the concerned services to be used for Ashghal Buildings future projects. The committee's approval is valid for a period of three (3) years from the date of this letter, and it will be subjected to the Authority's review at any time throughout this period. It is the Vendor's responsibility to apply for the renewal three (3) months prior to the expiry date, otherwise he will be removed from the authority vendor list.

The quality and performance of HXsteel International Engineering W.L.L. as an Approved Subcontractor (Fabrication & Installation) shall be closely monitored by the Authority at all times to ensure that the required standards are maintained. If it is found by the Authority at any time that the quality and performance is failing to meet the expected standards, then the committee reserves the right to withdraw their Approval. It is also the company's responsibility to ensure full compliance of the requirements of the latest version of Qatar Construction Specifications (QCS) as well as the relevant project specification requirements of any particular project. This approval shall not be interpreted as a guarantee for providing materials or services for any ASHGHAL projects and the Authority shall not be held responsible nor accept any liability for Manufacturer / Supplier / Subcontractor losses, expenses, damages to reputation or any other damages whatsoever arising out of or in relation to taking part in the authority prequalification procedure.

Best Regards,

Mohamed Ehab Samir Mustafa
